EXPERIENCE

Senior Interactive Email Developer
Trendline Interactive
May 2013 - Present

Coding, designing, and testing emails for fast turnarounds with 99% error free rate. Also coding emails to be simple and easily updatable with little to no knowledge of HTML/CSS.

I've worked with AARP, Adidas, Airbnb, Allstate, Atlassian, Carnival Cruise, Chili's, Comcast Business, Hyatt, JibJab, LinkedIn, Reddit, Under Armour, USPS, Wacom, and many others.

Interactive Designer
Filling Spaces
January 2014

Created/ coded a responsive web catalog for an interior design studio.

Poster Designer
Athletes for Cancer
May 2013
July 2012
May - June 2012

Illustrated three 18x24in posters for a kiteboarding and stand up paddling event.

Graphic Designer
Happy Valley, OR
March - April 2013

Designed a non-corporate identity for the valley of Happy Valley, OR. And created additional collateral.
